Data Management Webinar

Duration:48:38

Variable speed version: [Watch](#) [1]

This webinar was produced on 11/30/2012. Downloading and managing data is one of the most powerful aspects of Investor/RT. This video discusses the topic of how to set up different types of data, download methods, how to retain downloaded data, dealing with gaps, auto-backfill, managing sessions and holidays, and overall how the product manages data.
